Wixom Award Program Honors the Achievement

**WIXOM December 3, 2013** -- Blake Group LLC has been selected for the 2013 Best of Wixom Award in the Management Information Systems Consultant category by the Wixom Award Program.

Each year, the Wixom Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Wixom area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Wixom Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Wixom Award Program and data provided by third parties.
